

Susan Trimbo, Ph.D.
Consultant

Dr. Susan Trimbo is an independent consultant providing strategic scientific and regulatory services to companies focused on Health and Nutrition. Dr. Trimbo is also a consultant with Spherix Consulting.

Dr. Trimbo has more than 25 years of industry experience in the areas of Medical Nutrition and Consumer Health Products. Prior to her work as a consultant, Dr. Trimbo was Senior Vice President, Scientific Affairs for General Nutrition Company with broad responsibilities that covered product design, clinical testing, product safety and regulatory compliance. Prior to GNC, Dr. Trimbo was Senior Director of Nutritional Sciences-Worldwide at Wyeth Consumer Healthcare (now Pfizer Consumer Healthcare) where she focused on a range of activities related to the design and launch of new dietary supplement products. Dr. Trimbo also has had extensive experience with product claims and consumer communications. Earlier, Dr. Trimbo held various Research and Development roles at Clintec International, a Baxter-Nestle medical nutrition venture. In that capacity, Dr. Trimbo was involved in the development, testing and marketing of a large number of medical foods and nutritional drugs.

Dr. Trimbo has had extensive involvement with various trade associations and is currently a member of the American Society for Nutrition and the American Dietetic Association.

Dr. Trimbo earned her doctorate at Cornell University, concentrating on Food Chemistry, Nutrition and Biochemistry. In addition, she holds an MS in Human Nutrition from the University of Nebraska and a BS in Food and Nutrition from Minnesota State University.
